Our High Performance Academy starts the week of October 4th, 2010 and runs through the week of April 11th, 2011. (Classes do not run during Christmas and March Breaks-leaving 24 weeks for the program). There are two separate divisions; the Advanced classes run on Tuesdays and Thursdays with an optional Friday "Match Play Day" and the Elite classes run on Mondays and Wednesdays with an optional Friday "Match Play Day". (details below)

There is limited availability in the program so first priority is given to students who are currently enrolled. In order to hold your spot you must complete this application now and include a \$50 deposit and a post dated cheque for September 15th. New applications are taken on wait list basis only until the end of April 2010. After that point available openings will be given to wait listed students first and then opened to other students as well. In order to be placed on a waiting list for a group, please fill out this form in full indicating the class or classes you are interested in signing up for. You will then be contacted for a tryout if we do have openings.
